

VMC Club - Pilot Safety for VFR Pilots

After a short video, members will discuss various topics and how they would respond to the given scenario. This is an open forum for free ideas and we all learn from shared experience!

Directions: We meet at the EAA Chapter 22 Hangar. Look for the big EAA sign on the hangar, at the end of the row at the first right turn after the gate. If gate is closed, call 815-621-9142 for code.
